## 2010 PERFORMANCE THEMES ANNOUNCED!

One of the most exciting highlights of the season is the year-end performance! Performing is a special opportunity for DDC&G students to express themselves and show off all they've accomplished through the year! Parents and teachers love the opportunity to watch their students shine as they confidently perform on stage!

At DDC&G, year-end performances are more than a recital: students are part of a production...they learn to perform as professionals, and as a supportive cast/team member.

## WE HEARD YOU! “TOMORROW” PERFORMANCE DATES EASIER FOR FAMILIES

The beginning of June is tough for families! Graduation Ceremonies, end-of-the-year events, students stressed with finals, and parents crazy keeping track of it all! This year's rehearsal and show dates are later than usual, and should help ease the chaos of the season! Dress Rehearsal will take

place at Upper Arlington HS during the week of June 14-17. School is out and rehearsals will take place within the hours of 5pm- 9pm. Exact call times will be published before April.

The performance will be on Saturday and Sunday, June 19 and 20 at Upper Arlington High School.
