

Please join your teacher at your same class day/time by clicking on the appropriate link below. If you are unsure of your teacher's name, please email or call the office. Your teachers will allow you in from the "waiting room" at the start of class.

Tips for taking a virtual class:

Check your space- Clear an area for you to freely move. Try to go to a space away from distractions.

Please put your pets in a different room- you don't want to accidentally kick them during class!

Be prepared- Wear appropriate attire and have your water bottle close by.

Raise your hand to ask a question- After your class greeting time, your teacher will "mute" you.

Raise your hand digitally or physically to ask a question- Your teacher will see you!

Charge up!- Have your charger ready if needed, or plug your device in.

Please do not use any effects or virtual backgrounds on your zoom class.

If you have having issues, please call the office- 614-761-2882. We will be open to help!
